Subject No. 462
Location of a Deputy Amildar at Talkad.

Summary of discussion.—Talkad, formerly the head quarters of a Taluk, is an important frontier station with a large population and a noted place for bad characters. The location of a Deputy Amildar at Talkad is therefore desirable.

Reply of Government.—Noted.

Subject No. 463
Water-supply.

Summary of discussion.—The chief source of water supply to the town of Talkad is the Cauvery which is nearly 5 furlongs from it. Villagers and cattle suffer during the hot season having to go all the way on the heated sand to the river. The supply of water to the channel which runs close to Talkad may therefore be ordered.

Reply of Government.—Referred to the Deputy Commissioner for needful action.

Subject No. 464
Restoration of the temples at Talkad.

Summary of discussion.—Talkad is an important place of pilgrimage and contains many ancient temples which are badly in want of repair. Moreover some are buried under the sand which has to be removed during Panchalinga Darusana festival. These temples which attract so many devotees may be restored and their condition bettered.

Reply of Government.—This is being done as far as possible.

Subject No. 465
Police Station at Gargeswari.

Summary of discussion.—A Police Station may be located at Gargeswari which is a village containing a large Mahomedan and Hindu population and through which hundreds of carts pass daily during nights.

Reply of Government.—The Deputy Commissioner will do the needful as early as possible.

Subject No. 466
Establishment of a timber Depot at T. Narsipur.

Summary of discussion.—The establishment of a timber depot at Tirumakudlu-Narispur may be ordered at an early date as the want of it is much felt and has more than once been brought to the notice of Government.

Reply of Government.—A depot will be opened tentatively for 6 months or so. Its continuance after that period will of course depend upon the results of the sales.

Subject No. 467
Bathing ghats at T. Narsipur.

Summary of discussion.—The bathing ghats at Tirumakudlu-Narsipur are old and considerably damaged. The existing flight of steps is so bad that accidents are of frequent occurrence. These ghats may therefore be repaired, the stones required for the work being, if necessary, obtained from some of the ruined temples in the Taluk.

Reply of Government.—Referred to Local Fund Board for such action as may be called for.

Subject No. 468
Repair of the revetment along the banks of the Cauvery.

Summary of discussion.—Tirumakudlu being a place of pilgrimage, rulers of former times reveted the banks of the Cauvery near the village but time and floods have
